

**Determination of Procurement Method for Concession No. CRT-2024-30**

The best interests of the Authority are served by awarding this new concession by:

- Bid
- Request for Proposal
- The Evaluation Committee may include non-Authority employees

The Board specifically determines that the best interests of the Authority are served by awarding CPA Concession No. CRT-2024-30 via one request for proposal. CPA Concession No. CRT-2024-30 is for the right to provide motor vehicle rental services to the traveling public at the Francisco Manglona Borja/Tinian International Airport. See CPA Concession No. CRT-2024-30 (Determination of Scope of Concession). The best interests of the Authority are served by awarding the concession via a Request for Proposals because in awarding this concession, CPA intends to consider factors beyond the proposed minimum annual guaranteed concession fee, such as the size of the proposer's fleet. A proposal submitted under this single RFP shall be considered a proposal for CPA Concession No. CRT-2024-30 and proposers shall be limited to one proposal submission. Award of this concession will utilize a single ranking of proposals generated from the RFP per NMIAC § 40-70-205(g)(3).
