## TEMPORARY LANDING FEE AND TERMINAL RENTAL RATE REDUCTION PROGRAM

The Commonwealth Ports Authority (CPA) hereby establishes a Temporary Landing Fee and Terminal Rental Rate Reduction Program for Francisco C. Ada/Saipan International Airport, Benjamin Taisacan Manglona International Airport, and the Tinian International Airport. The program aims to promote competition, attract new air carriers, retain incumbent air carriers, and increase scheduled direct passenger service to unserved and underserved destinations.

The temporary rate reduction program will be available to be applied to invoices from June 2024 through December 2024.

Each eligible air carrier is limited to a total of four months of rate reduction and no air carrier may participate in the program after December 30, 2024.

Any extension to the temporary rate reduction program will require CPA board approval, and CPA reserves the right to end the temporary rate reduction program early.

Air carriers seeking to participate in the temporary rate reduction program must enter into a written agreement with CPA, stipulating to which months the carrier would like to receive reduced rates, before being invoiced for that month's operations.
